

variobag: 4 in 1

The “variobag” can be used as clutch, as garter-, sling- and handbag at the same time. Due to an ingenious system of buckles, press-buttons and a continuously adjustable strap the bag is easy and comfortable to change. Quickly your are adapted to different situations of our today's multifarious lifestyle of high agility and flexibility. The bag provides space for all paraphernalia one would need during the daytime, in the evening or for travelling. The P.U. Finish of the Italian fabric makes the bag tough. It is made out of 100% cotton.
